General Competition: Riders receive points for each race they enter, 1 point for 1st, 2 for 2nd etc. Riders not entering a race receive 1 point more than the number of riders in the race. Riders' race scores will be totalled at the end and their highest score subtracted. Overall winners are those with the lowest points score.

Junior Competition: When safe, feasible and within endurance capacities, Junior races including Shopping Race and Go to Whoa will be run at the same time as adult races. Otherwise, separate junior races will be held over shorter, safer courses. Junior scoring is completely separate from adult scoring. Juniors must be under 16 on December 8, 2017

1. Entrants or their guardians must sign the waiver declaration on the entry form.
2. Approved helmets must be worn at all times during all events.
3. The road race (Race 8) is on marshalled public roads which remain open to traffic. Entrants are strongly advised to wear bright safety jackets and run flashing front and rear lights to improve visibility. OzHPV reserves the right to exclude unroadworthy vehicles from the road race.
4. Vehicles must be safe and in good working order, and at any time marshals may request a demonstration of adequate control including braking. This applies especially to the hill climb (race 7), where good brakes are required to attempt descent of One Tree Hill after race completion.
5. No dangerous projections or open tube ends likely to cause injury. Exposed chainrings at the front of recumbents and handlebar ends must be guarded to prevent puncture wounds.
6. Vehicles may be modified between events. This includes fairings, wheels/tyres and panniers.
7. Vehicle numbers must be attached on the right hand side and clearly visible to timekeepers.
8. Entry is at the rider's risk. The safety of all vehicles is the entrant's responsibility. (First-Aid will be in attendance)
